

## MODULAR DATA SELECTION CHART

The chart identifies all data, telecom and digital TV modules available for Euro, LJU6C and MK Modular formats.

These modules are compatible with the appropriate frontplates featured in MK's wiring devices and cable management ranges. For more details see the relevant product range section.

MODULES	EURO	LJU6C	MK MODULAR LOGIC PLUS DECORATIVE
<b>RJ45 Cat 5e (Keystone)</b>	22645 WHI
